WHO WE ARE

LEORON have gained a reputation by transferring knowledge in all strategic corporate functions, including corporate finance, HR, SCM, operations, and engineering. Today, LEORON are globally recognised as one of the leading providers of internationally certified programs, offering certifications from the most notable international institutes, such as ASQ, APICS, ALADON, IACCM, IIA, ILM, PMI, OCEG, C-MORE, IABFM and much more.

Through our selection of premium certified programs delivered as Live Virtual Training, classroom, or online self-paced, LEORON supplies leading global organisations with competitive knowledge.

LEORON UK

LEORON UK is committed to delivering the highest standard of training to your company through its long-standing reputation as a global training provider of choice.

Utilising our expert trainers, many of which are based in the UK, LEORON UK provides the latest industry standard with accreditations known locally in the UK as well as internationally.

BESPOKE EXPERIENCE

Our Corporate Development Programs are designed to boost competitiveness by enhancing workforce productivity, knowledge and effectiveness. Whatever your challenges, our needs analysis identification process will create and tailor a program to suit your company's unique processes, strategy and culture. The program is then developed and delivered to meet your desired outcomes whilst using your company's own language and practices.

Our Phased approach gives your company an end-to-end experience that ensures your requirements are understood and achieved, in your budget and timescales.

Phase 1 – Program Design, Tailoring and Objective Setting

Phase 2 – Pre-Commencement; Identification of Candidates

Phase 3 – Delivery; Competency and Skills Development

Phase 4 – Post Delivery; Coaching, Mentoring and Future Goals

GRADUATE PROGRAM

Embedding your fresh graduates into your company's culture offers them the boost they need to become productive immediately. Our program maximises your opportunities to select candidates who are not only fresh in the world of work but possess a fresh mindset too - graduates with new views and perspectives, who are enthusiastic to learn, and are ultimately the leaders of the future.

HIGH POTENTIAL LEADERS

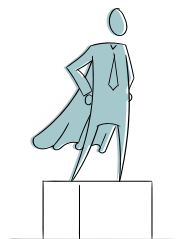

High Potential Leaders, or the vital few, account for the biggest chunk of your organisational output. Through HPL coaching, your organisation will identify internal top talent and channel resources towards upskilling performers to achieve maximum ROI on human capital.

WOMEN BUSINESS LEADERS

Diversity has been proven to improve company performance, yet, there are still glaring imbalances. Our program identifies and supports future female leaders to address this issue by accelerating performance to strengthen your company structure.

EXECUTIVE LEADERSHIP

The challenges of leadership are shifting repeatedly as a response to the dynamics of the broader business world. We help develop your organisation's internal capacity for succession planning to ensure business continuity according to your organisation's values and principles.
